RELEVANT WORK EXPERIENCE

TEXNOERA ACADEMY, Azerbaijan <i>UX/UI Designer Educator</i>	09/2024 – Present
<ul style="list-style-type: none">• I develop tailored lesson plans that bridge theoretical knowledge with real-world UX/UI design practices.• I introduce best practices for building design systems, including typography, color theory, and interactive components.	
IN4TECH LLC, Azerbaijan <i>Middle UX/UI Designer</i>	03/2023 – 03/2025
<ul style="list-style-type: none">• Created engaging user interfaces for web and mobile apps, improving user interaction and satisfaction.• Worked closely with developers and product managers to align design concepts with business goals and technical requirements.• Performed usability testing and analyzed feedback, leading to actionable design improvements and a 20% boost in user retention.	
AZERCOTTON LLC, Azerbaijan <i>Project Manager</i>	09/2024 – 02/2025
<ul style="list-style-type: none">• I lead projects from initiation to completion, ensuring alignment with organizational goals and timely delivery within scope and budget. I work closely with cross-functional teams, fostering collaboration and ensuring that everyone is aligned on project objectives and timelines.	

- I specialize in resource management, allocating personnel resources effectively to meet project demands.

Uxcel, USA

Product Designer Mentor (remote)

07/2024 – 01/2025

- As a mentor on a platform with over 300,000 designers, I have provided constructive feedback and reviewed numerous design projects.
- My contributions to the learning community include sharing valuable insights, disseminating best practices, and keeping up with the latest design trends to ensure continuous growth and innovation.

IN4TECH ACADEMY, Azerbaijan

UX/UI Designer Educator

02/2024 – 12/2024

- I design and deliver courses that cover essential design principles, Figma tools, and practical applications tailored for aspiring designers.
- I provide individual career coaching to help students successfully transition into the UX/UI design field. I emphasize best practices in accessibility, color theory, and typography, ensuring students build strong design foundations.

IN4TECH LLC

FullStack Developer

07/2022 – 05/2023

- I create visually appealing and user-friendly designs for web, mobile, and tablet applications.
- I prioritize understanding customer needs through close collaboration.
- I keep my knowledge and skills in front-end development up-to-date to contribute to projects effectively.

ICT LAB, Azerbaijan

Software Developer

12/2021 – 07/2022

- I bridge the gap between design and development by conducting needs analysis.
- I ensure effective and user-friendly designs through usability testing.
